Dear Sir:

The above-identified U.S. National Patent Application was filed with the United States Patent and Trademark Office on March 12, 2004. The returned postcard receipt received by us on March 25, 2004, did not include a serial number, yet was stamped received by the U.S.P.T.O. on March 12, 2004.

During a telephone conversation with the PCT Help Desk, it was discovered that the U.S.P.T.O. had no record of the above-identified application in their database. After reviewing our deposit account statement, it was discovered by us that the U.S.P.T.O. did not charge our account the fees for filing the above-identified application.
